The Bottom Fell Out.

The late strange occurrence of the bottom falling out of a large reservoir in a town near Philadelphia, reminds us of a somewhat similar accident which happened some years ago in Virginia City—the dropping out of the bottom of a well. This was before deep mining had drained the site of the town of its surface water, and while wells were yet a possibility. The lady of the house where our well belonged went out to draw some water. Over the well was a common windlass and rope. Being in haste, the lady let the bucket go down by the run, and the instant it struck the water, out dropped the whole bottom of the well. Every drop of water instantly disappeared, and naught was to be seen where it had been but a black, yawning chasm. The amazed lady stood and gazed for a moment into the bottomless well, then rushed to the house.

"What did I tell you?" cried she, addressing her rather easy-going husband. "I knew that the men who dug that well were taking no pains with their work."

"What is the matter now?" said the husband.

"Matter?—matter enough!" cried the wife. "The bottom has dropped out of the well!"

"Bottom dropped out of the well!" exclaimed the husband, opening his eyes as wide as saucers.

"Yes; the bottom has dropped out of the well!" with great emphasis. "And I am not at all surprised," continued she—"not one bit astonished, for when those men were putting the bottom in that well I saw plainly enough that it would be of no account."

The cause of the accident was simple enough. The well had been dug in the line of a tunnel advancing from a distant point below. The miners working in the tunnel, all unconscious of the well, had drifted under it, and at no great distance below its bottom. Being without adequate support, the bottom must soon have fallen out of its own accord, but the sudden jar of the bucket upon the surface of the water undoubtedly precipitated the event. It was soon after ascertained that the miners working in the tunnel were about as much astonished at finding a flood of water pouring in upon them and daylight opening above them as was the lady at the other end of the well, though they knew nothing about the diggers of the well having slighted their job when they came to putting in its bottom.

Mr. O. Tard got home about 2 o'clock Sunday morning, indignantly pronouncing the eclipse a fraud. Mrs T., with a woman's intuition, at once inspected the color of his breath, and ordered him to bed in disgrace.

Garters with monogram clasps are now all the fashion with pretty girls. The style is said to be convenient and elegant, and we hope to see more of it.—*Boston Post.*

An Ohio constable has absconded with the sum of $3 25. Do not, gentle reader, turn up your nose, for it was all the public money he could get hold of.

The Festival at Townsend.

The Fair and Festival held at Townsend, on the 5th and 6th inst, to purchase an organ for the Sabbath School, was a complete success. The proceeds amounted to about two hundred and seventeen dollars.

At a meeting of the committee, after the Fair was over, Mr. R. Townsend made a few appropriate remarks, congratulating the committee on the gratifying results of their labors, and concluded by offering the following resolution of thanks, which were unanimously concurred in: To Hess, Rogers & Chambers, of 411 Market Street, Philadelphia, for a lot of fancy articles; to our friends generally who assisted us in the good work; to Mr. D B. Maloney, for the use of his building; to Rev. C. W. Prettyman (agent for Estey's organs) who kindly gives his percentage, thereby reducing the price of the organ very materially. The price of the instrument will be one hundred and fifty dollars.

The amount realized is very gratifying to the friends of the school, as it enables them to purchase their organ and have enough surplus money left to place the school in good working order.

It is the intention of the committee soon, to further thank their friends by giving an evening of sacred song free of charge

PROGRESS.

Minor Topics.

The November term of Court for this county begins next Monday.

Delaware has now fourteen Granges of the Patrons of Husbandry.

On Thursday night of last week the Democrats of Lewes had an illumination.

S. J. Garman, a successful grain dealer and Smyrna's most active business man, is dead.

J. H. Scowdrick, of this town, has made an assignment of his property to M. E Walker, for the benefit of his creditors.

The "trial list" of the Cevil Court which begins on Monday week is published on our first page this week.

James Anderson, Esq., cashier of the bank at Georgetown and one of the most wealthy, respected and aged citizens of Sussex, was stricken with paralysis last week and his life is despaired of.

Negro Outrage

Cristfield Murphy eldest son of T. H. P Murphy of this town was grossly attacked and beaten by a negro in Hamtown on last Friday, whilst gathering evergreens The assault was entirely unprovoked, the negro, (whose name is supposed to be Frank Frisby) following the boys, of whom there were four. Thomas Eliason, Walter Beaston and Frank Murphy; cursing them terribly without any response from the boys at all; he then beat Crisfield Murphy with a stick over the head, the other boys being too small, and too badly frightened to render any help. Young Murphy is a quiet, orderly boy, and had done nothing to justify the outrage. The negro is an idle, vicious fellow, and should have speedy justice meted out to him, and will have, if caught.

The Bombay Hook Rail Road.

The sale of the Bombay Hook Rail Road to the American Dredging Company, was confirmed by the Court last week. Now the question is, what next? The Dredging Company own so much of the road as lies in Kent county; the Smyrna and Delaware Bay Company, or Jay Gould, own so much as lies in New Castle county and in Kent county, Md. Neither party can do anything with the entire road, and the Dredging Company does not propose to do anything but secure its claim. But it cannot do that by letting the road alone. Something must be done, but who will do it, and how, is the question.—*Smyrna Times.*

Foot Tournament.

A tournament, in which the riders went on "foot back" took place at Odessa last Saturday. Fifteen knights entered the lists. Some fine running was done, but the chief contest was between the knights of Don Cæsar (E. Rose) and Indianola (F. Anderson.) For a time each of these and Leona (L. Walker) kept even, each taking the three rings every time. On the fifth, Leona missed and fell behind The contest then became warm between Cæsar and Indianola, but on the eighth tilt the former missed twice, and the latter was declared the winner.

The affair is said to have been quite as interesting to the lookers on as many of the tournaments of the larger kind.

Rail Road Meeting.

At a meeting of the Delaware Rail Road Company's stockholders, held at Dover on Thursday, of last week, a new issue of the bonds of the company, to the amount of $650,000, to provide means for meeting the loan falling due July 1st, 1875, was authorized. The bonds will be guaranteed by the Philadelphia, Wilmington and Baltimore Rail Road Company, and secured by a mortgage on the road. The lease of the Delaware Rail Road to the P. W. & B R R Company was also extended, as provided for in the original agreement.

Change of Sheriffs.

On Monday next, at the meeting of the court, sheriff elect Lambson will be "sworn in" and take possession of the office and assume the duties of the sheriffalty. Mr Armstrong will retire to his farm and will carry with him the acknowledgements from his fellow citizens that he has been a faithful and capable officer

Democratic Rejoicings.

In various parts of the State, during the past week, the Democrats have been giving expression to their delight at the result of the late elections, not only in Delaware but throughout the Union, in enthusiastic demonstrations, in the way of illuminations, torch light processions, congratulatory addresses, &c.

On Monday night the first of these was held at New Castle. During the campaign no meetings were held within the borders of New Castle Hundred, and in view of that fact it was determined that the jollification meeting should be made as large and brilliant as possible, and right thoroughly was that determination carried out. At an early hour the people began to pour into town from all directions and when the special train arrived from Wilmington at 8 20 bearing the several Democratic clubs of that city and three bands, the crowd was estimated at upwards of 5 00 people Forming in procession the clubs and other citizens paraded the principal streets carrying torches, transparencies, banners, &c.

An amusing feature of the parade was a cow labeled with the words; "The cow that John P. Cochran shot." Several carpet baggers well gotten up also created considerable merriment. The houses along the line of march were brilliantly illuminated, and a large flag was suspended across the street opposite the Court House bearing the inscription

FOR PRESIDENT, 1876,
THOS. F. BAYARD.

About nine o'clock the immense crowd assembled in front of the Court House, and a meeting was organized by calling Dr. G. T Maxwell to the chair. Hon. T. F. Bayard was then introduced and addressed the assemblage in a short and eloquent speech briefly reviewing the issues of the campaign and the causes which had led to the Democratic triumph, and advising moderation and adherence to the principles of Democracy. Hons. B. T. Biggs, Wm. G. Whiteley and Samuel Townsend, Esq., also delivered addresses.

The affair was a brilliant success, reflecting great credit upon its progenitors. The Governor and Congressman elect were present at the meeting, and received the warmest greetings of their friends.

Demonstration in Dover.

On Tuesday night the Democracy of Kent county gathered at Dover to give vent to their feelings of delight over the recent victory. A large crowd assembled, estimated at upwards of 3000, and forming themselves into a procession with torches, transparencies, banners, flags, &c., marched through the principal streets of the town, headed by the Silver Cornet Band of Dover. The line is said to have been a half mile long. One of the features of the parade was a representation of the practical effects of the proposed Civil Rights bill. A negro was in the act of entering a room at a hotel, which was occupied by a white man, to which the latter of course, seriously objected.

After the parade a meeting was organized on the square, and addresses were made by Senator Eli Saulsbury, J. Alex. Fulton and Edward L. Martin, Esqs. Ex-Gov Saulsbury was also serenaded and made a speech.

Rejoicings at Smyrna.

At Smyrna the joyful Democrats, last Friday night week, illuminated their houses, and with the String Band of that town, serenaded their Legislators elect, Wm. B. Collins, Esq., and John M. Voshell, Esq, and others of their prominent Democratic citizens. Speeches were made by Col. H. C Douglass, Mr. Chas. E. Hazel, Jno. H. Bewley and others. The serenaders among whom were ladies as well as gentlemen, were handsomely entertained by Mrs. Margaret Cummins, and seem to have had a good time generally.

The Michael Walsh Homicide.

James Collis, cook of the schooner John Henry, was arrested on Monday afternoon in Townsend, by Constable David C. Rose, charged with causing the death of Michael Walsh by a blow with a shovel, on the night of the 24th of October, on the schooner, in Chesapeake Bay. Deputy Marshal Frey and Detective Hagan took the prisoner to Baltimore on Tuesday afternoon, and after a preliminary examination before Justice Hagerty he was committed to jail to await the action of the grand jury. Walsh was taken to Baltimore on the night of October 24, wounded, and died at the hospital some four days afterwards.

The Late Election.

From the official returns of the recent election we gather the following: The total vote for Governor was 23,747, of which John P. Cochran, Esq., received 12,488 and Dr. Isaac Jump 11,259. Cochran's majority over Jump, 1229. The total vote for Representative in Congress was 23,656, of which 12,632 were cast for Jas. Williams, Esq., and 11,024 for Hon. Jas. R. Lofland. From this it appears there were 91 votes more polled for Governor than for Congressman, yet so unpopular was Major Lofland, perhaps on account of his course in regard to the Civil Rights bill, that his competitor's majority over him was 379 votes greater than Mr. Cochran's over Dr. Jump.

Entertainment by the Governor-Elect.

On Wednesday night last our newly elected Governor, John P. Cochran, Esq., gave an open house entertainment at his residence, Cochran Grange, to his many political friends and supporters at the late election. The matter had been talked over for several days and on the evening mentioned a large number of persons from nearly all over the county proceeded to Mr. Cochran's to extend to him their congratulations on his successful election. The Diamond State band of Middletown was in attendance and performed some of their choicest music greatly to the gratification of all present. The Governor-elect had provided a most bounteous and excellent entertainment, to which ample justice was done by his host of guests.

Early Morning Music.

On their return from the Democratic jubilee, at New Castle, last Tuesday morning, on the train which reaches our depot at six o'clock, the Diamond State Band marched up the street playing some of their inspiriting marches. This was an early hour for music, but not too early for the people to lend a listening ear to the charming strains, which in the stillness of the early morning were especially pleasing and harmonious. Long live the D. S. B.

Fine Calves,

Mr. J. T. Carpenter, of Fort Penn, sold to Mr. George Barnholt, a few days ago, a pair of calves, which, though but thirteen weeks old, weighed, jointly, 626 pounds. It almost seemed a shame to kill such fine young cattle. Mr. Carpenter is well known as a breeder of fine stock, and we hope to see a number of his cattle on exhibition at our next Agricultural Fair, where they would doubtless elicit considerable attention and admiration.

D vine Service.

Rev. Enoch Stubbs, of Wilmington, will preach in the Methodist Church, Middletown, on Monday evening, Nov. 16th. This service begins a protracted meeting here. At the last weekly meeting, three persons rose for prayer and unusual interest was manifested.

The County Court.

THE NOVEMBER TERM—AN IMPORTANT SESSION.

The regular November session of our County Courts will open at New Castle on Monday next, 16th instant.

The session promises to be one of great interest. The number of ordinary criminal cases is, perhaps, not so large as usual but the two trials for capital offences add great importance to the coming term.

The first trial for a capital offence will be that of Joseph H. Taylor, of Lewisville, Chester county, Pa., for the murder of Robert A. Mackey, who had resided at Jennersville, same county. The murder is supposed to have been committed on the night of Thursday, July 30th last. On that evening, both the young men left St. Georges together, in a buggy, for the purpose of driving to Odessa, but Taylor entered the latter town alone, at a late hour in the evening. The next day he drove to Middletown, disposed of Mackey's team, and then fled. In the evening, Mackey's body was found floating in Drawyer's creek, near Odessa. It was taken out and an inquest held by Deputy Coroner Stephens, but as no one could recognize the remains, a verdict of death by drowning was rendered and the body interred. About a week later, Mackey's friends arrived in the neighborhood, looking for him. Hearing of the drowning case their suspecions were excited and on exhuming the remains they were recognized to be those of Mackey. Foul play was immediately suspected and Taylor's subsequent actions seemed a confirmation of the suspicion.

Taylor was arrested in Bucyrus, Crawford county, Ohio, and brought on here for trial. He will be defended by Hon. Wm. G. Whiteley. The case attracts great interest in this and adjoining counties.

The other trial of a capital character is that of Aaron K. Woodward, of Christiana Hundred, for the shooting of Wm. Lukens, on the 6th of October. With the circumstances of this affair, our readers are still familiar Farmers generally are interested in this trial, as it will probably show the extent of their personal authority in cases of trespass. Woodward will be defended by Hon. Thomas F. Bayard and Wm. C. Spruance, Esq.

The civil list is quite extensive, and embraces some interesting cases. Among others will be the suits of the Lymans *vs.* the P., W. & B. R. R. Co., for damages, growing out of the accident at Newport, on Dec. 25th, 1872, by which several members of the plaintiff's families were badly injured. The plaintiffs were nonsuited last May, but their counsel, Levi C. Bird, Esq, moved for a new trial, which motion was granted. The plaintiffs are represented by Hon. Thomas F. Bayard and Geo. C. Gordon, Esq.

The Court will also act upon a number of applications for licenses to sell liquor.

Death of a Dover Lawyer.

Henry W. Draper, Esq., a young lawyer of Dover, died last Thursday evening week at his residence in that town. He had been suffering from a severe illness for several months, which originated in an incurable injury to one of his ankles received in boyhood. He was a rising lawyer and one of the most promising at the Dover bar. He was about 38 years of age.

Thanksgiving.

Governor Ponder has issued a proclamation recommending Thursday, 26th inst, as a day of public thanksgiving, it being the same day designated by President Grant.

Maryland Affairs.

A grange of the Patrons of Husbandry was organized at Millington, Kent county, on the 30th ult., and the following officers elected: Master, H. C. Pennington; overseer, C. W. S. Meddlers; lecturer, J. W. Jarman; steward, J. S Newman; assistant steward, John Bottomly; chaplain, John Kislip; treasurer, B. M. Hazell; secretary, E. W. Spear; gatekeeper, John Reese; Ceres, Mrs. Lizzie M. Hazell; Pomona, Miss Kate Price; lady assistant steward, Mrs. Lydia C. Pennington.

The following property, belonging to Jacob A. Howard, of Cecil county, was sold last week: The tract near the Delaware line, sold to Thomas Dougherty for $675; five and three quarter acres of meadow land to James Massy for $690; seven and a half acres, in Elkton, to Thomas Drennen for $2.025, and several lots in Elkton at prices ranging from $2 75 to $5 per foot. At North East last week the real estate of Isaac Gray, deceased, 114 acres, two miles from Union Meeting House, was also sold to Dr. N. B. Morrison and Charles W Simpers for $1,475.

Mr. James Willoughby, of Cambridge, Dorchester county, was out gunning with Mr. Shoucut, on Monday last, when the gun of the latter was accidentally discharged and the load passed through the ankle of Mr. Willoughby, rendering amputation of the wounded limb necessary.

The Dorchester county agricultural fair, which took place on Thursday and Friday of last week, is said to have been a great success, over two thousand persons being present each day, and the exhibition of stock of every kind was very fine.

A public basket picnic of the several granges of Kent county was held at Worton Station, on the agricultural fair-grounds, on Thursday last. J. S. Robinson, lecturer of the State Grange, and other speakers delivered addresses.

At the election in Somerset county on Tuesday last local option prevailed in all the districts where it was submitted, except Hungry Neck, which voted against it. Princess Anne and Dublin districts did not vote on the question.

Partridges are plentiful in Talbot county this year, and the Comet enters a protest against Baltimore and other sportsmen visiting the peninsula and killing birds for profit.

Mr. John T. Dodd, a well known builder and much respected citizen of Chestertown, Kent county, died on Sunday of last week, in the sixty-fourth year of his age.

Mr. Lofton's farm, in Chapel district, Talbot county, containing 38 acres, was sold last week to John Hesser, of Pennsylvania, for $550

At Havre de Grace, the Republican says, the ducking season is now fairly opened, and a great many have been killed during the past week.

Nineteen persons were baptized in Wye river, Talbot county, on Sunday last.

THE EPISCOPAL RITUAL.—The amended canon of ritual which was reported by the conference committee in the General Episcopal Convention Saturday, and which has been agreed to by both houses, is practically the same canon as originally reported, with the exception that the first two specifications are stricken out. These omitted specifications forbid the use of incense or crucifixes during the celebration of the holy communion. Many members stated that however much they might disapprove the use of incense or crucifixes, they could not vote for a canon declaring that they symbolized false doctrine.

Hon. John W. Head, Democratic Congressman, died on Monday, at Gallatin, Tennessee.

William E Udderzook, convicted of the murder of his brother-in-law, Winfield S. Goss, near Cochranville, in Chester county, Pa., on or about the night of July 1st, 1873, was hanged on Thursday in the jail yard at West Chester, Pa. He was attended by three ministers, Rev. Messrs Evans, Best and Harris, and met his death firmly. He made no confession, and his last words were: "All I have to say is, that I am a sinner saved by grace and accepted by God."

A Substitute for Quinine.

For years, quinine was regarded as the only perific for malarious diseases, and immense quantities of the drug were annually consumed throughout our western country, more particularly along the river bottoms and adjoining low lands

With the fall months malaria, in all its varied forms, stalks like an epidemic through the land, and whole districts are prostrated with chills and fever, the entire population shaking with ague. Heretofore, quinine was regularly resorted to; but, while it frequently failed to effect a cure, it invariably deranged the stomach, producing nausea, vertigo and fugitive pains in the head to such an extent that months elapsed ere the system recovered from its effects. These objections to its use were so marked, that the introduction of Mishler's Herb Bitters was hailed as a triumph in medicine, infinitely more certain in its beneficial effects than quinine, it possessed none of the demerits of that drug. Instead of nauseating, it tones and invigorates the stomach, and while speedily expelling the noxious humors, increases the appetite and facilitates digestion thus rendering the system stronger, and better fitted to resist the attacks of disease. In fact, a judicious use of Mishler's Herb Bitters at this season of the year, will prevent the recurrence of this disease, even in those who have never passed an autumn without it. An experience of twenty years proves it to be the greatest ANTI-PERIODIC known to medical science.

There are, perhaps, no diseases so subject to climatic changes as affections of the Kidneys. Hundreds of our farmers, mechanics, and laboring men, strong and hardy in all other respects, suffer continual inconvenience, and occasionally excruciating pains in the back and across the loins; experience a frequent desire to pass water, pain during its passage, and frequent stoppages in its flow. These are manifestations resulting from some strain or heavy lift (perhaps years ago), and aggravated by every change in the weather. Every slight cold flies direct to this one weak spot, and unless promptly attended to the disease becomes chronic, and the once strong man a miserable wreck. Mishler's Herb Bitters is the *only certain* remedy for this class of diseases. It has a peculiar tendency to the kidneys, stimulates them to healthy action, and removing the cause, prevents the formation of brick-dust deposits, which, if permitted to continue, will by cohesion form gravel stone, necessitating a painful operation for its removal. Many of the ingredients entering into its composition, are universally recognized as specifics for all complaints of the urinary organs. In Liver Complaint, Dyspepsia, all disorders of the Bowels, and affections of the Throat and Lungs, it is equally certain and efficacious; while, as a remedy for the complaints peculiar to the female sex, it has no equal. LADIES, old and young, married and single, in every condition of life, will find this GREAT FEMALE REMEDY *prompt, safe, certain and reliable.* The pale, sallow complexion is replaced by a blooming, healthful countenance, and its *occasional use* enables Nature to perform her functions REGULARLY AND WITHOUT INCONVENIENCE. Sold only in bottles by all Druggists and general dealers.

Have You Tried

JURUBEBA?

ARE YOU

Weak, Nervous or Debilitated?

ARE you so languid that any exertion requires more of an effort than you feel capable of making?

Then try JURUBEBA, the wonderful tonic and invigorator, which acts so beneficially on the secretive organs as to impart vigor to all the vital forces.

It is no alcoholic appetizer, which stimulates for a short time, only to let the sufferer fall to a lower depth of misery, but it is a vegetable tonic acting directly on the liver and spleen.

It regulates the Bowels, quiets the nerves and gives such a healthy tone to the whole system as to soon make the invalid feel like a new person.

Its operation is not violent, but is characterized by great gentleness; the patient experiences no sudden change, no marked results, but gradually his troubles

"Fold their tents, like the Arabs,
And silently steal away."

This is no new and untried discovery, but has been long used with wonderful remedial results, and is pronounced by the highest medical authorities, "the most powerful tonic and alterative known." Ask your druggist for it For sale by

Giving strict attention to the manufacture of PLOWS, such as the Heckendorn, Moore, Concave, Wiley, &c. He has recently connected with his former business an Iron Foundry, furnishing all the different kinds of plow irons such as are used in this section. Giving special attention to this line of trade, having been successful in procuring the services of those persons who formerly made castings at Newark, Del., whose work was celebrated as tip-top, will keep constantly on hand a large supply, wholesale and retail, at *moderate* prices. The public will also be reminded that he, only, has the right in this State to manufacture the celebrated Pioneer Stump Puller, which for strength and durability has proven fully equal to the task. All kinds of repairing, together with Horse-Shoeing, done with neatness and dispatch. Plow Bolts and Clevises constantly on hand.

Being thankful for past favors, by strict attention to business, we hope to merit a liberal share in the future. L. V. ASPRIL.

Medical.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

For Inflammatory and Chronic Rheumatism and Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

They are a gentle Purgative as well as a Tonic, possessing the merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs, and in Bilious Diseases.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful invigorant that ever sustained the sinking system.

CORNS, BUNIONS.

CORNS.—How they sting, throb, ache, smart and burn, upon our feet. In vain we beg, we threaten we curse, we flourish the sharpest knives above their heads, we burn, we cut, hack, hew and fell, and still the pesky corns remain a thing of misery. Useless are entreaties, tears, curses, groans; nothing can remove our corns but Briggs' Alleviator and Curative, a sure cure for Corns, Bunions, Ingrowing Nails, and all ailments of the feet.

Piles! Piles! Piles! PILES, INTERNAL, EXTERNAL, BLEEDING OR ITCHING.—The intense suffering occasioned by the disease, in its various forms, is known only to those who are unfortunate enough to be afflicted with it. The sleepless nights, the uncomfortable days, the haggard looks of the sufferer bear witness of the intensity of the pain experienced when troubled with this prevailing disease. The success of Briggs' Pile Remedy as a positive cure is unequaled in the annals of medicine. Relief is immediate when used as directed. The immense demand for this great remedy is unparalelled. Thousands are using it with the most satisfactory results.

Headache. Headache, Neuralgia and Nervous Diseases. The wonderfuleffect of Dr. J. Briggs' Alleviator, for the speedy cure of the above mentioned very prevalent and painful disease, is known to many thousands who have used it with unqualified success. In every case of the above enumerated complaints, it has never failed to give immediate relief.

Consumption. This fatal and dreaded disease can, and has been cured Dr. J. B. Briggs' Throat and Lung Healer is a pleasant, agreeable and sure remedy for Coughs, Whooping Cough, Croup, Hoarseness, Bronchitis, Laryngitis, Sore Throat, Asthma, Consumption, and all diseases of the throat, lungs and chest.

CORNS Are the most plentiful kind of grain in the market. Every one has a supply, from the little three-year old child to the aged grandsire verging on to a hundred; stylish, handsome young ladies who daily promenade fashionable resorts; middle-aged matrons; old maids, dressed up to appear young and gay; dandies, with their patent leathers, kid gloves and inevitable walking stick; the clergyman, merchant, lawyer, clerk, artisan and mechanic, of all ages and stations, have a full supply of corns, bunions, bad nails and other botherations of the feet, all of which are banished and cured by the use of Briggs' Corn and Bunion remedies, Alleviator and Curative.

Corns Bunions, Bad Nails and all Diseases of the Feet, Cancers and Scrofulous Humors, Piles, &c., skillfully and successfully treated at the great central Chirropodical and Healing Institute, 697 Broadway, New York.

RHEUMATISM.

A REMARKABLE CURE.

Home Testimony.

Mr. Wm. W. Rees, residing in South Wilmington and employed in the Diamond State Rolling Mill, suffered for nine months with the Rheumatism, and was under medical treatment without much effect during this time.—Sometimes could neither dress or undress, and and would suffer with fearful excruciating pains. Dr. Simms' Celebrated Pain Searcher cured after about four weeks' persistent use; the first bottle gave much relief, the second still more, and at the end of the fifth bottle was entirely well. As a further reference in this case we also refer to Messrs. Parry & Son, toy dealers, &c., King street.

Samuel Pyle, Mail Messenger, a bad case of Rheumatism, was effectually cured by the Pain Searcher.

Daniel R. Higgnutt's son, a boy of 12 years suffered excruciating pains, could not use his legs a particle, yet was able to walk in 24 hours. Two bottles cured in each of these cases. We could give many more references, we have a long list, but we think the above sufficient to convince any one.

THE PAIN SEARCHER

Quickly relieves Cramps and Pains, Neuralgia, Headache, Poothache, Diarrhœa, Dysentery, &c., and in Rheumatism it is certainly a wonderful medicine, not having failed in a single case. Used inwardly and outwardly.

Price 50 cents a bottle, or six for $2.50.

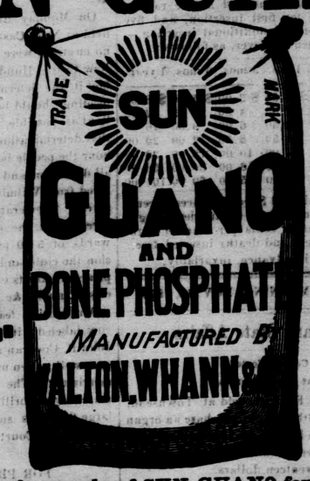
SUN GUANO.



$32 Per Ton. $32 Per Ton.

The very large sale of SUN GUANO for Spring Crops, and the splendid results achieved by its application, have corroborated our representations of its excellent quality, and established it as the popular fertilizer of the peninsula.

A knowledge acquired by nine years' experience in the manufacture of fertilizers, with the assistance of our skilled Chemist, suggested the formula under which the SUN GUANO is prepared

At our extensive works we manufacture our own Sulphuric Acid and all the materials entering into the composition of the SUN GUANO direct from the rough; satisfied with a reasonable profit for ourselves, and not having to pay any profit to the manufacturers of chemicals, ground bone, and other materials used, we are enabled to offer the SUN GUANO at the extremely low price of

$32 PER TON.

and guarantee every ton free from adulteration and fully up to State Chemist's analysis.

Every material used in making the SUN GUANO is a fertiliser of itself, and by the judicious proportion of the different ingredients, we have attained results which make the fertilizer so universally satisfactory to all who have used it

☞ We are MANUFACTURERS of fertilizers, and not MIXERS of manufactured articles from other factories, and are not compelled to add sand or other worthless substances to enable us to sell the SUN GUANO at this price. ☜

The Sun Guano is in FINE DRILLING condition, and is for sale by all dealers.

The demand will be large for Wheat Seeding, and farmers are requested to order early.
